Just letting you know I have similar results. For TGTI my earliest email was from 4/26/18 and “Texas Gulf Terminal” was from 5/7/18.

The earliest email that I spotted was May 7 where Texas Gulf Terminals was used. Need to check for TGTI as well. NPDES staff met with the company’s water consultants in mid-May at which time the name was used.

Denise used her email address with @texasgulfterminals earlier than when the application was filed.

Let's discuss strategy to respond. I'm not sure when we knew the name Texas Gulf (but our search should start from date.....is that officially the application submittal date, or 1-2 weeks before that? Also, do need relativity search or not?
